

VETERANS MEMORIAL

In Volga

A Veterans Memorial for Volga has progressed in location and structure. The location will be near the Brookings County Museum abutting Samara Avenue. A preliminary design is being worked on. The design will have brick or tile with the Veterans information engraved on it, and a special location for those Veterans who were killed in action, a US Flag pole, US Service Flags, POW/MIA Flag and several reflection benches.

You can play an important role in preserving the spirit of our Veterans when you donate to have a veteran's name permanently etched in the memorial.

Whether you memorialize a loved one or commemorate any Veteran, you will keep their spirit alive for years and years.

Individual and business sponsorships are greatly appreciated! **Level I \$500-999**, **Level II \$1000-2499**, and **Level III \$2500 and up**. Sponsors will have their names inscribed (3 lines below) in a special place.
